**How has the fund performed?**

This section tells you how the Series has performed since inception. Returns are after Fund expenses have been deducted. These expenses reduce the Series’ returns. Returns are before any taxes you may incur. Your actual after-tax return will depend on your personal tax situation.

It’s important to note that this doesn’t tell you how the Fund will perform in the future.

**Average return**

This information is not available because this Series is new.

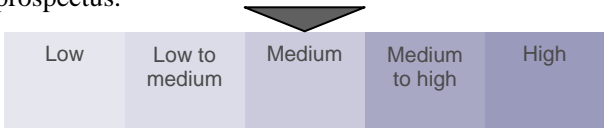

**Are there any guarantees?**

Like most mutual funds, this Fund doesn’t have any guarantees. You may not get back the amount of money you invest.

**Who is the fund for?**

Investors who plan to hold this investment for the medium to long term.

**Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.**

<p><b>Year-by-year returns</b> This information is not available because this Series is new.</p> <p><b>How risky is it?</b> When you invest in a fund, the value of your investment can go down as well as up. Lysander Funds Limited has rated this Fund’s risk level as medium. For a description of the specific risks of this Fund, see the Fund’s simplified prospectus.</p> 	<p><b>A word about tax</b> In general, you pay tax on your share of the Fund’s earnings and on taxable capital gains you realize from redeeming your investment. The amount of tax depends on the tax rates that apply to you, and the type of earnings realized by the Fund (e.g. interest, dividends, capital gains, etc.). In general, registered retirement savings plans and other registered plans don’t pay tax on investments.</p> <p>If you hold your investment outside of a registered plan, we will send you a tax slip that shows your share of the Fund’s earnings. You must calculate your taxable capital gains realized on redemption.</p>
